

## **INTRODUCTION**

Eklavya Model Residential School, Tuensang strives to provide quality education of free of cost to children of low income families who are not able to afford private school fees. Since the inception of the school in 2008, several hundreds of children from BPL families have received their schooling here without having to worry about any fees. Students are provided free books, uniforms, toiletries, mess etc.

The vision of the school is to provide a wholistic development to every child that enters the school as a student. Along with providing textbook knowledge students are given opportunities to develop social skills, vocational skills, life skills etc. Playing both indoor and outdoor games, maintaining the school gardens, keeping the hostels and premises clear, worshipping together is all part and parcel of a student's life in EMRS Tuensang.

The school has a dedicated team of teaching and non-teaching staff who work together as a team to nurture the students inside the classrooms, hostels and outside in the playground. The staff living on campus provides a homely atmosphere for the students. All the staff and students together form one big family.

Place: Tuensang, Nagaland

Sponsor: Ministry of Tribal Affairs, India

State Nodal Department: Department of Tribal Affairs, Kohima Nagaland

### **History:**

EMRS, Tuensang is located in Tuensang, Nagaland. The school was established in the year 2008 under the management of Tuensang District Baptist Associations. The Nodal Department from 2008 to 2017 was the Social Welfare Department, Kohima, after which the school came under the Planning and Co-ordination Department, Kohima. Then, the School came under the newly formed department i.e., Tribal Affairs from August, 2019 till the present date.

The School started with class 6 in 2008 and thereafter upgraded every year till class 10. The first batch of students appeared for the HSLC exams in 2015 and achieved 100 % passed results. Since then 6 (six) more batches have appeared for the HSLC exams. Till 2020, we have consistently achieved 100 % passed results, with maximum number of students securing 1<sup>st</sup> division marks.

The School is purely residential, therefore, only a limited number of students are admitted every year. Fresh admissions are accepted only for class-6 and in exceptional cases for class-7 too in some years. The students have to appear for the written entrance test and students are given admission according to merit basis.

The School receives funds from the Ministry of Tribal Affairs (MOTA) for the management of the school. Therefore, students are able to receive qualitative education free of cost.
